

**“We can ride  
and walk to school  
safely - it starts  
with us!”**

### **Where did they come from?**

Children can be unpredictable and easily distracted so they might not be watching out for you as a road user.

Our school carpark and the roads around our school get very busy during pick-up and drop-off times. Remember to...

- be on the lookout at all times.
- drive at the speed limit - even if you are running a few minutes late.
- be alert for other motorists, pedestrians and cyclists.

**Together we are Active Travel Ambassadors!**

#### **In the carpark:**

Drive at walking speed - 10km/h

#### **Roads around the school:**

Limit your speed to 40km/h  
between 8am and 4pm.
