

MEDIA AND FACEBOOK CONSENT FORM 2020

Dear Parents/Carers

At St Thomas the Apostle we use Facebook to enable parents/carers to stay connected with their child's/children's learning. The purpose of this page is to share with our families and the community the great things that happen at our school.

There may be times when we would like to post pictures or videos on our Facebook page of our students, for example, pictures of school events such as Ride or Walk to School Day, special guest speakers/visitors, Book Week, sporting events (Athletics Carnival, Swimming Carnival, etc) and other exciting things happening at our wonderful school.

Our school may also be involved in school events throughout the year where a photographer and potentially other commercial media outlets may be in attendance to capture photos and footage of the event.

Please complete the attached form if you **DO NOT** give consent for photographs and/or video footage of your child, at school events and activities, to be posted on the school Facebook page. If the form is not completed, we would assume that permission is granted.

Please look for our official Facebook page with our school logo.
