Are you under 8 years old? Think basketball looks like a lot of fun? The Vikings U8 Program is for YOU!

Using a specialised 7 foot ring and size 4 balls this is an opportunity for our youngest hoopers.

\$99 for an eight week program (max. 12 participants) starting on the first week back in each school term. Each session will be a one hour skills and mini-game session with no weekend games.

When players are comfortable they can move to our U10's who train at the same time and play on Sunday mornings.
